

Coastal Impact Assistance Program (CIAP)
Required Information and Selection Criteria for Projects Nominated for CIAP
Funding

Information required for all CIAP project nomination submittals:

1. Project Title: *Bayou Lafourche 4,000, CFS Diversion*
2. Entity/Individual nominating the project: *Louisiana Department of Natural Resources/Greg Grandy. This proposal has been prepared and submitted based on the proposal submitted by the Environmental Defense; the National Wildlife Federal; the National Audubon Society; and the Coalition to Restore Coastal Louisiana (CIAP Proposal # LB)*
3. Contact Information (Name, Address, Telephone, Email): *Greg Grandy, Coastal Engineering Division, 617 North Third Street, Baton Rouge, LA, (225)342-6412, Gregory.grandy@la.gov*
4. Total CIAP Funds Requested: *estimated \$400,000.00*
5. Parish CIAP Funds Proposed: *\$0*
6. State CIAP Funds Requested: *estimated \$400,000.00*
7. Infrastructure Funds Proposed: *N/A*
8. Description and Location of Project: *A Bayou Lafourche diversion project with a capacity of 4,000 cfs, augmented by a moderate new sediment supply (delivered using pipeline technology) to recover recent land loss.*
9. Project Type (from list below of authorized CIAP fund uses): *Type I*
10. Project Justification: *Increasing the capacity of this diversion to a level that the existing channel, perhaps with some dredging, could accommodate on a pulsed basis, offers a means of transporting some freshwater and sediment into the central coast. With the piped sediment in place, the 4,000 cfs diversion will nourish the newly restored land.*
11. Project cost share (Types and amounts of non-CIAP funds proposed, if any):
N/A
